

ILENE...

Hi - I'm Ilene! I am very sweet and lovable! I'm mostly lab - but I've got a whisper of white on my chest to distinguish me.

I would like to find a quiet place to call home - where someone will see that I'm a gentle, calm soul but am just shy. I'm only 3 years old - so I've got a 'lotta lovin' still to give!

I have already been spayed (phew!), have had my shots, have been microchipped and even come with a month of free pet insurance when adopted!

Please visit www.tailsct.org for more information on me or you can contact my TAILS friends at (203) 222-1992 / info@tailsct.org for more information about adopting me!
